Hi Richard,

I was just getting around to sending you the details. The abstract was submitted on Feb 15 but we have to wait until it is accepted before we know whether it is going to happen. Here is the abstract and the conference details :

ABSTRACT final.doc

PLANNED FOR LINKING EXPOSURE AND HEALTH: INNOVATION AND INTERACTION, INTERNATIONAL SOCIETY FOR EXPOSURE AND ANALYSIS, VANCOUVER, CANADA, AUGUST 11-15, 2002.

Regards,

Raymond

Raymond,

Roger mentioned that you will be presenting a paper at the ISEA meeting. When you have an abstract, would you send it to me. I'm suppose to keep track of presentations involving the Accord.
Thanks,

Richard
